**Wisdom is good  
with an inheritance, and  
profitable to those  
who see the sun.  
For wisdom is a defense  
as money is a defense, but  
the excellence of knowledge  
is that wisdom  
gives life  
to those who have it.**

*Imiegene Theus Hall*  
*July 6, 1931 – May 3, 1996*

*At age 17 and a mother of two, Imiegene was known to say, "Ain't nothing compared to the power and the confidence of a good education. Family is wonderful. And, having an educated family is freedom!"*

## **The Imiegene Hall Scholarship Fund**

is dedicated to the loving memory of the late Mrs. Imiegene Hall, mother of Dr. Luke S. Hall, and will be funded and awarded to glorify God.

The Imiegene Hall Scholarship (IHS) was created in-memoriam to the values and ideals Imiegene Hall held regarding education and learning; and, her unwavering belief in the power of God and the love of Christ. IHS recognizes Imiegene Hall's personal quest for knowledge; her firm belief that knowledge would ensure a better quality of life; and her strong admonition that her children, "would get a good education." The IHS provides financial, moral, and spiritual support to a student who desires and deserves higher education.

New Vision Christian Church was founded to restore the image of God in the hearts and minds of His children, by equipping, inspiring, and empowering God's people for Kingdom living. The IHS equips students by providing financial assistance towards the material tools necessary for secondary education. The IHS inspires students by emphasizing and reinforcing the Christian values, morals, and ideals of Imiegene Hall. Further, the IHS empowers students by demonstrating the reward of hard work, tenacity, and focus. The IHS helps develop Christian character and builds a student's confidence.

Through the IHS, New Vision Christian Church realizes its mission by recognizing outstanding academic achievement, leadership potential, community service, and the pursuit of higher education through presentation of annual scholarship awards. As an ancillary benefit, IHS motivates our youth to work harder

Scholarships are awarded to New Vision Christian Church students who are graduating seniors pursuing secondary education at a technical school, or an accredited four-year institution of higher learning. IHS recipients are eligible to receive a one-time award up to \$1000.

In **THE YEAR OF BALANCE**, we look forward to receiving applications from all NVCC students balancing their lives to effectively pursue a higher education. Congratulations and best wishes to all who devote time to: worship and the study of God's word (**faith**), give of themselves to family (**family**), dedicate energy and time to extracurricular activities and exercise (**fitness**), and diligently pursue economic growth and stability (**finance**).

One important step in career planning is to define your career goals. Whatever your present plans for employment or further education, you should consider your long-term career goals. You might wonder why someone who is considering a first job should be thinking beyond that job. Thinking ahead may help you choose a first job that is closely related to long-term interests. . . . With a career goal in mind, you can evaluate beginning job offers in relation to that goal. (Oliverio, Pasewark, and White 528)

Another useful step in career planning is to develop a personal profile of your skills, interests, and values. An analysis of your skills is likely to reveal that you have many different kinds:

- (1) functional skills that determine how well you manage time, communicate, and motivate people;
- (2) *adaptive skills that determine your efficiency, flexibility, reliability, and enthusiasm; and*
- (3) technical skills such as keyboarding, computer, and language skills that are required for many jobs.

Values are “principles that guide a person’s life” (Fulton-Calkins and Stulz 543), and you should identify *them early so that you can pursue a career that will improve your chances to* acquire them. Values include the importance you place on family, security, and independence.
